# Company Profile

## ABOUT US

Choose AL IBDA REF KITCHEN EQUIP for solutions that combine world-class quality, competitive pricing, and unparalleled customer service.

**W**ith over 30 years of experience, AL IBDA REF DEVICES & KITCHEN EQUIP has firmly established itself as a leader in the food service and hospitality industries. Specializing in the manufacturing and marketing of premium kitchen equipment and refrigeration units, the company is renowned for its commitment to innovation, quality, and customer satisfaction. Founded in Lebanon in 1990, AL IBDA quickly rose to prominence, becoming a trusted name in the industry. Recognizing the growing demand for high-quality kitchen solutions, the company expanded its operations to Sharjah, UAE, in 2005, strategically positioning itself to better serve its clients across the Middle East. Since 1991, AL IBDA has been at the forefront of delivering reliable, tailored solutions to meet the unique needs of restaurants, hotels, bakeries, supermarkets, and other businesses in the region.

AL IBDA specializes in the production, trading, and maintenance of a wide range of appliances designed to enhance efficiency and performance in professional kitchens and food service environments. From cutting-edge refrigeration units to advanced bakery and supermarket equipment, every product in its portfolio reflects a dedication to precision engineering and durability.

To ensure its customers have access to the best solutions available, AL IBDA sources products from industry-leading manufacturers in Italy, Spain, Turkey, China, Sweden, Germany, and beyond. This global sourcing strategy enables the company to offer an impressive variety of state-of-the-art equipment tailored to the demands of modern food service and hospitality businesses. By integrating advanced technology with strategic marketing, AL IBDA consistently delivers innovative solutions at competitive prices.

“Our Products are Designed to be Flexible, Dynamic, Productive, High Performance & Beautifully Styled”

At the heart of AL IBDA's success is its unwavering commitment to excellence and customer satisfaction. The company not only provides top-tier products but also ensures comprehensive after-sales support, including consultation, maintenance, and repair services. This customer-centric approach has solidified AL IBDA's reputation as a trusted partner in the industry.

# Vision Insight

# Mission Insight

**A**t Al IbdAA, we envision a future where every restaurant, hotel, and laundry service provider thrives with the support of cutting-edge equipment and exceptional service. Our goal is to be the leading partner in the Middle East for commercial kitchen and laundry solutions, recognized for our innovation, quality, and commitment to excellence.

Our vision is rooted in sustainability, ensuring that the products we provide are environmentally friendly, energy-efficient, and built to last. We are dedicated to fostering long-term relationships with our clients, built on trust, reliability, and mutual growth.

As a trusted leader in the industry, Al IbdAA is committed to shaping the future of commercial kitchen and laundry systems, pushing boundaries with innovative designs, and setting new standards in customer service and product excellence. Together, we strive to turn visions into reality, one solution at a time.

**O**ur mission is to provide innovative, high-quality commercial kitchen and laundry solutions tailored to the needs of the food-service and hospitality industries. Committed to reliability and sustainability, we deliver advanced equipment, personalized support, and eco-friendly options to enhance operations and customer satisfaction.

With a focus on transparency and innovation, we build lasting partnerships to help our clients achieve sustainable growth and exceptional results.

# Why Choose Us

**W**e are dedicated to your success by providing high-quality, innovative, and reliable commercial kitchen and laundry equipment tailored to meet the demands of your business. Our products, sourced from leading global manufacturers, are built to ensure durability, efficiency, and long-term value.

Sustainability is at the core of our values, offering eco-friendly options that benefit both your operations and the environment. Backed by years of experience and a reputation for excellence, Al IbdAA is more than just a supplier we're a trusted partner committed to helping you build reliable, efficient, and sustainable operations that exceed expectations.

With a focus on innovation, we stay ahead of industry trends, offering energy-efficient and space-saving solutions to enhance productivity and reduce costs. Our customer-first approach means we partner with you to deliver personalized solutions, along with dedicated after-sales support and maintenance services.

“Quality Tools,  
Exceptional Taste  
Your Kitchen,  
Our Expertise.”

# Product Highlights

Please note that the products listed on our company profile are just a highlight of our extensive range; feel free to [contact us](#) for more details about our full offerings.

**A**t our company, we take pride in offering a complete and diverse selection of high-quality commercial kitchen and restaurant equipment, specially crafted to cater to the unique demands of the food and beverage industry. Our mission is to provide everything you need to create a seamless, efficient, and professional kitchen environment, whether you're running a bustling restaurant, a cozy café, or a high-volume catering operation.

For those looking to elevate their beverage service, our advanced beverage equipment ensures consistency and excellence in every pour. Our professional cooking lines are built to handle high-capacity demands while offering the flexibility needed to craft diverse menus. Reliable refrigeration units are also available to keep your ingredients fresh and your operations running smoothly.

Our catalog features top-tier ovens, ice cream makers, and food processors, each engineered to deliver outstanding performance and longevity. Food warmers and holding equipment ensure that your creations stay at the perfect serving temperature, maintaining quality and taste.

To further enhance your kitchen setup, we provide durable and practical kitchen accessories, efficient dishwashing systems that simplify cleanup, and custom fabrication services tailored to your specific business requirements. Whether you need a complete kitchen overhaul or a single essential piece, our team is committed to delivering solutions that exceed expectations and support your culinary vision.

Choose us as your trusted partner for all your commercial kitchen needs, and experience the difference that quality, innovation, and dedication can make in achieving your business goals.

- **Coffee bean hopper capacity:** 1,5 kg.
- **Dimensions :** 230x615x270 mm.
- **Blade diameter:** 64mm.
- *Made in Italy.*

## BEVERAGE EQUIP

### Technical Features:

- *Classic Citrus Juicer.*
- **Brand Name :** *SANTOS.*
- **Model:** 11A.
- **Net Weight :** 4.9kg.
- **Capacity:** 2.7 kg.
- **Dimensions :** 23 x 30 x 35 cm.
- **Speed(50Hz):** 1500rpm
- **Power:** 130 W.
- *Made in France.*

## BUTCHERY EQUIP

### Technical Features:

- *Meat Grinder*
- **Brand Name :** *REDMOND.*
- **Model:** RMG-1205-8-E .
- **Net Weight :** 5.1 kg.
- **Capacity:** 2.7 kg.
- **Dimensions :** 42.5 x 27 x 25 cm.
- **Voltage:** 220-240 V, 50/60 Hz.
- **Power:** 2000 W.
- *Made in China.*

## PIZZA MAKERS

### Technical Features:

- *Electric Pizza Oven - Double Deck.*
- **Brand Name :** *Prisma Food.*
- **Model:** Basic 44 Medium.
- **Net Weight :** 117 kg.
- **Power :** 9.4 kW.
- **Dimensions :** 975X925X745+850 mm.
- **Working temperature °C:** 50 - 450
- *Made in Italy.*

## SNACK EQUIP

### Technical Features:

- *Popcorn Maker Machine.*
- **Brand Name :** *Kimcocina.*
- **Model:** POP-6B.
- **Net Weight :** 17.35 Kg.
- **Power :** 1.44 Kw.
- **Dimensions :** 560 x 420 x 760 mm.
- **Volts:** 220-240 V /50-60 Hz.
- *Made in China.*

## COOKING LINES

### Technical Features:

- *Electric Deep Fryer.*
- **Brand Name :** *BECKERS.*
- **Model:** FR 6+6 LT.
- **Net Weight :** 12 Kg.
- **Power :** 3000 Wat.
- **Dimensions :** 530x410x330 mm.
- **Working temperature °C:** 50 - 190.
- *Made in European Community.*

## BAKERY EQUIP

### Technical Features:

- *Dough Sheeter Machine*
- **Brand Name :** *ALISTER.*
- **Model:** DS520SS.
- **Net Weight :** 248 kg.
- **Capacity:** 5.5 kg .
- **Dimensions :** 900 mm(Length) , 1100 mm (height).
- **Voltage:** 220.
- **Power:** 0.55kw.
- *Made in India.*

## REFRIGERATION EQUIP

### Technical Features:

- *Horizontal Serve-Over Displays.*
- **Brand Name :** MASTERCOOL.
- **Model:** EVO 90VSELF.
- **Net Weight :** 135 kg.
- **Working temperature °C:** +3 - +5.
- **Dimensions :** 900 x 780 x 1510 mm.
- **Gas:** R404A.
- **Power:** 220 v.
- *Made in Italy.*

## FOOD PROCESSOR

### Technical Features:

- *Cutter-Mixer.*
- **Brand Name :** ROBOT COUPE.
- **Model:** R2N CLR.
- **Net Weight :** 14.1 kg.
- **Capacity:** 3 Liters.
- **Dimensions :** 40.01 x 48.9 x 22.23 cm.
- **Power:** 1000 watts.
- *Made in France.*

## ICE-CREAM MAKER

### Technical Features:

- *Mini Soft - Ice Cream Machine.*
- **Brand Name :** GOSHEN.
- **Model:** ST16E.

# Maintenance Solutions

Contact us today to learn more about our tailored maintenance solutions and discover how we can help your business thrive with reliable, professional support you can count on!

**A**t AL IBDAA, we understand that the success of your business depends on the seamless operation of your kitchen equipment, which is why our Maintenance Department is committed to delivering unmatched service, expertise, and dedication. Whether you run a bustling restaurant, a cozy café, or a busy hotel kitchen, we are here to ensure your equipment performs at its best, helping you maintain the highest standards of efficiency and reliability.

Our maintenance services are tailored to fit your unique needs, offering comprehensive quarterly, semi-annual, and annual maintenance contracts. These flexible plans are designed to keep your equipment in peak condition, reducing downtime and extending the life of your investments.

**F**rom small appliances like toasters and waffle makers to larger, more complex equipment such as bain-marie grills, blast chillers, and conveyor dishwashers, we handle it all. Our team of skilled technicians ensures each item is meticulously maintained, repaired, cleaned, and installed to the highest standards.

We take pride in the care, precision, and resources we dedicate to every task. By focusing on proactive maintenance and efficient repair solutions, we help your business avoid unexpected interruptions and costly replacements, allowing you to focus on what matters most—serving your customers.

Our services are more than just technical expertise; they are a commitment to your success. With AL IBDAA by your side, you can trust that your kitchen equipment is in the best hands, ensuring your operations run smoothly and efficiently.

"Excellence is not just what we deliver; it's how we care for every detail to ensure your success."

*"Reliable equipment, reliable service. At AL IBDAA Maintenance, we don't just fix equipment—we ensure your business never misses a beat."*

## What We Offer

# Cold Room & Freezer

Let us help you take your **food storage solutions** to the next level. Contact Al IbdAA today for a consultation!

**A**t Al IbdAA, we take pride in delivering exceptional cold room and freezer room solutions designed to meet the specific needs of businesses in the commercial kitchen equipment industry. Whether you manage a restaurant, hotel, catering service, or food processing facility, our services ensure that your food storage requirements are addressed with reliability, precision, and efficiency.

We specialize in custom-designed cold rooms and freezer rooms tailored to your unique operational needs. Our team works closely with clients to create storage solutions that optimize space utilization, enhance energy efficiency, and comply with international food safety standards. From small walk-in units to expansive industrial-scale systems, we ensure that our solutions align perfectly with the demands of your business.

Using only the highest quality materials, our cold rooms and freezer rooms are built to withstand rigorous use in demanding environments. Advanced insulation technology helps maintain consistent temperatures, preserving the freshness and safety of perishable items. Our refrigeration systems incorporate state-of-the-art technology, offering energy-efficient performance that reduces operational costs without compromising functionality.

Our services extend beyond design and manufacturing to include professional installation and commissioning. We provide end-to-end support, ensuring that every aspect of the setup is handled with precision. Our experienced technicians assemble panels, install refrigeration units, and configure temperature controls to ensure seamless operation. Every system undergoes thorough testing and commissioning to guarantee flawless performance from the start.

Our cold and freezer rooms are trusted across industries for preserving freshness. From restaurants and hotels to supermarkets, food processing facilities, and catering services, they ensure optimal storage of perishable and temperature-sensitive goods.

**TEMPREATURE:  
-40 °C to +15 °C**

“ KEEP IT COOL AND FRESH  
FOR A LONGER TIME. ”

# Stainless Steel Fabrication

Contact us today to discuss your requirements and discover how our stainless steel fabrication services can elevate your kitchen to new heights of efficiency and professionalism.

**A**t AL IBDA, we are committed to delivering high-quality stainless steel fabrication solutions tailored to meet the needs of the commercial kitchen industry. With a focus on durability, functionality, and precision, our stainless steel products are designed to enhance the efficiency and hygiene of your kitchen operations, ensuring they meet the rigorous demands of restaurants, hotels, catering businesses, and food processing facilities.

We specialize in crafting a wide range of stainless steel equipment, including work tables, sinks, cabinets, shelving units, and custom-designed fixtures. Our fabrication services combine advanced techniques with superior materials, ensuring that every product we deliver is not only aesthetically pleasing but also highly durable and corrosion-resistant. Stainless steel is renowned for its strength and hygiene, making it the perfect choice for environments that demand cleanliness and reliability.

Our team of experienced fabricators works closely with clients to design and manufacture custom stainless steel solutions that align with their specific requirements. Whether you need a unique kitchen layout or specialized equipment, we leverage our expertise to create products that fit seamlessly into your space while optimizing workflow and storage. Each design is tailored to ensure maximum efficiency, space utilization, and compliance with industry standards.

At Al Ibd, we take pride in our attention to detail, from the initial consultation to the final product. Our fabrication process involves precise measurements, cutting-edge machinery, and skilled craftsmanship to produce seamless finishes and robust constructions. This meticulous approach ensures that our stainless steel products are built to withstand daily wear and tear, even in the busiest kitchen environments.

In addition to manufacturing, we offer professional installation services to ensure that every piece of equipment is perfectly integrated into your kitchen. Our technicians handle the installation process with care and precision, ensuring that your equipment is ready for immediate use. We also provide maintenance and repair services to keep your stainless steel products in top condition, extending their lifespan and maintaining their functionality over time.

**O**ur commitment to quality extends to every aspect of our services. By using high-grade stainless steel and incorporating innovative fabrication techniques, we deliver products that are not only durable but also easy to clean and maintain. This is especially important in commercial kitchens, where hygiene and food safety are of paramount importance.

# 2D & 3D CAD

Whether you need to **remodel** an existing space or are starting from scratch, make your foodservice dream a reality with our comprehensive **design** process.

**W**e understand that precision and planning are critical when designing commercial kitchens. Our specialized 2D and 3D CAD design services are tailored to provide clear, detailed visualizations and layouts for your kitchen equipment and workspace. By utilizing advanced computer-aided design (CAD) technology, we ensure that every project is executed with accuracy, efficiency, and adherence to your unique requirements.

Our 2D CAD design services provide detailed technical drawings, including floor plans, electrical schematics, and plumbing layouts, ensuring precise planning, regulatory compliance, and seamless kitchen installations.

For a more immersive experience, our 3D CAD design services bring your kitchen layout to life with realistic renderings and virtual walkthroughs, helping you visualize equipment placement and make informed decisions about functionality and aesthetics.

Our CAD design process begins with a thorough consultation to understand your specific goals, operational workflow, and space constraints. Based on this information, our team of skilled designers creates customized layouts that optimize your kitchen's efficiency and ensure seamless integration of equipment. Whether you're designing a small restaurant kitchen or a large-scale industrial facility, our CAD services are adaptable to meet projects of any size and complexity.

At Al IbdAA, we take pride in our commitment to quality, innovation, and customer satisfaction. Our 2D and 3D CAD design services empower you to visualize your dream kitchen, make confident decisions, and achieve a space that is both functional and aesthetically pleasing. With a focus on customization, accuracy, and efficiency, we deliver designs that transform your vision into reality.

Whether you are planning a new kitchen or upgrading an existing one, Al IbdAA is your trusted partner for all your CAD design needs. Let us help you create a workspace that maximizes productivity, meets regulatory requirements, and reflects your unique style.

## Let's Begin your kitchen design today

# Graphic Design

Let us help you create a brand that leaves a lasting impression. Contact Al IbdAA today to learn more about our [graphic design services](#) and take the first step toward building a powerful and cohesive [brand identity](#).

**Y**ou've finalized your product and are ready to take your business to the next level, but something is missing—a designer to bring your branding to life. At Al IbdAA, we offer this crucial service to ensure that your business has a powerful and cohesive visual identity. From your commercial kitchen equipment to your branding, we've got you covered.

Our graphic design services are tailored to meet the unique needs of businesses in the commercial kitchen equipment industry. We specialize in crafting visually stunning logos, professional business cards, and engaging social media content that amplify your brand's presence. By combining creativity with a deep understanding of your business goals, we ensure that your brand stands out in a competitive market.

A great logo is the cornerstone of any successful brand. At Al IbdAA, we design logos that capture the essence of your business while appealing to your target audience. Whether you want something sleek and modern or bold and dynamic, our designers work closely with you to create a logo that represents your company's values and vision. This logo becomes the face of your business, appearing across all your materials to establish a strong and memorable identity.

In addition to logos, we create professional business cards that make a lasting impression. Our designs are clean, elegant, and customized to reflect your brand's personality. Whether you're networking at industry events or meeting clients, your business card will communicate professionalism and quality, leaving a positive impact on everyone you encounter.

In today's digital age, social media is one of the most powerful tools for engaging with customers and building your brand. Al IbdAA specializes in creating eye-catching social media posts that grab attention and encourage interaction. From promotional graphics to engaging content, we ensure that your posts align with your brand's voice and aesthetics. These designs not only help you connect with your audience but also drive awareness and sales.

Our approach is simple yet effective: we start by understanding your business, your goals, and your audience. Once we have a clear vision, our team gets to work crafting designs that bring your ideas to life. We believe in collaboration and value your input at every step, ensuring that the final designs exceed your expectations.

**B**y choosing Al IbdAA, you're not just getting a designer—you're getting a partner committed to your success. Your machines and your branding are in expert hands, giving you the confidence to focus on what you do best: running your business.

Let us help you create a brand that leaves a lasting impression. Contact Al IbdAA today to learn more about our graphic design services and take the first step toward building a powerful and cohesive brand identity.

"Let us elevate your brand with creative graphic design solutions."
